| Students must complete a minimum of 12 credit hours of 300-400 level courses in one <br> discipline outside of Computer Science. No course that is in, or cross-listed as, CMSC may be <br> counted in this requirement. Only 1 independent study or experiential learning course may be <br> used. Students who are pursuing a minor or a second major can use those credits in this area. <br> Consult with your academic advisor to ensure each course you plan to take will satisfy this <br> area. |  |  |
